Three-Year Warranty Extension for Select Delta Power Supplies

In response to market demands, Delta is pleased to announce that the new standard warranty period for the power supplies listed in the table below has been extended to three years.

Terms and Conditions:

1. If the product is used improperly, outside of specifications, or in an environment that does not meet the specifications, it will not be covered by the warranty.
2. This three-year warranty applies to products manufactured from January 1, 2024 onwards.

Should you require any further clarification, please reach out to us via our [Contact Us Form](#).
