

DeltaPSU News

The World's No. 1 Provider of Switching Power Supplies

Issue Date: April 2, 2012

DeltaPSU is proud to announce the launch of our free iPhone app for our 2011/12 catalogue. Now you will be able to browse or search for products, as well as get quick and easy access to information on the go. No more lugging around with heavy catalogues. The DeltaPSU app features an easy-to-use interface, quick navigation, in-depth product details, and automatic products and events update notifications.

We invite you to try our iPhone app and share it with your friends. Simply search for **DeltaPSU** to download the free application from the App Store.

■ Search & Browse Features

1. PRODUCTS SECTION

Simply choose the product series, and then the model number to find the product that matches the specifications you are looking for.

2. SEARCH SECTION

Enter keywords or phrases to conduct a search.

■ Individual Product View

Tap on the model number to view the product image and get detailed product information.

■ Documents & Resources

With this application, users will have the ability to find and view product related documents straight from their iPhone at anytime, anyplace, anywhere.
