

Issue Date: July 4, 2014

Delta introduce 5W wall mount adapters of 5V & 6V and two 24V Class II 60W & 90W desktop type adapters

▲ WALL MOUNT ADAPTERS

- 5V 5W
- 6V 5W

▲ DESKTOP TYPE ADAPTERS

- 24V Class II 60W
- 24V Class II 90W

Delta's Medical Power Solution is pleased to introduce the following new products:

- Two small size and light weight 5 Watt wall mount adapters of 5 Volt and 6 Volt outputs, respectively.
- Two 24 Volt desktop type adapters with Class II (Two Wire) Input of 60 Watts and 90 Watts.

These products series are certified to IEC60601-1 3rd edition for medical equipment and IEC60950-1 2nd edition (2005) for Information Technology Equipment.

These products feature low touch current, electric shock protection that complies with 2 x MOPP (Means Of Patient Protection) for use as medical device in hospital and non-hospital environment. Risk Management Reports are available for all products upon request.

For additional information please view the datasheet; or, contact your local sales representative (or representative/distributor) in your region.
